Officer-Involved Shooting

On January 16th, at approximately 5:00 am, Beaverton Police Officers responded to the 10100 block of SW Murray on a report of an “Unwanted” male at the location.

When Officers arrived, they interviewed the individuals involved and determined no crime had been committed. After leaving, however, Officers learned there was an arrest warrant for the male involved. When Officers returned to the location, they were confronted by the male, who was now armed and advancing towards the Officers. The Officers, after repeatedly ordering the male to drop his weapon, were forced to use deadly force.

The subject was transported to an area hospital. His condition at this time is not known.

The Washington County Major Crimes Team is on scene and leading the investigation.
